

What kinds of maps are available at your District Office?

Two kinds of maps are available for purchase:

- **Forest Visitor Maps**, which display the entire Potosi and Salem Ranger Districts on one side, with Fredericktown District on the reverse. These maps are at a scale of one-half inch equals 1 mile. They display the road system covering the District, the pattern of public and private lands as of 1998, and recreation information. You may also purchase Mark Twain Forest Visitor maps covering other administrative areas – Ava/Cassville/Willow Springs District, Doniphan/Eleven Point and Poplar Bluff Districts, Houston/Rolla/Cedar Creek District. ***\$6.00 each.***
- **Standard 7.5-minute quadrangle maps** covering Potosi, Fredericktown, and Salem Districts. These are 1:24,000 topographic maps updated in 1993 and created from U.S. Geological Survey base information, showing Forest Service land ownership, recreation information, and roads, but not showing vegetation. ***\$6.00 each.***
